

### EDGE® STUMP GRINDER

The EDGE stump grinder is the perfect attachment for arborists, landscapers, large contractors or maintenance crews. This unit mounts on any compact loader and will disintegrate tree stumps effortlessly and efficiently.

### OPERATIONAL BASICS

The EDGE stump grinder features carbide steel teeth and easy-to-use controls to help you quickly grind stumps into wood chips. Standard and high flow models are available to handle stumps up to 45" (1143 mm) in diameter, and up to 12" (305 mm) below ground. Comes complete with hoses and flat face couplers.
