

SLAB LIFTER BUCKET

EDGE® SLAB LIFTER BUCKET

Complete big concrete projects in small areas with the EDGE slab lifter bucket. One of EDGE's more unique products, the slab lifter bucket works very well for removing concrete on sidewalks, driveways and any construction site.

OPERATIONAL BASICS

The EDGE slab lifter bucket features three heavy-duty teeth with 1-1/2" (38 mm) shanks made of T-1 steel and replaceable points with rubberized flex pins. This specialty bucket is a great addition to your fleet of construction attachments.

High-strength T-1 steel sideplates

SPECIFICATIONS

Model	Weight (lbs/kg)	Height (in/mm)	Depth (in/mm)	Working Width (in/mm)	Slab Thickness (in/mm)
SLB	635/288.0	21/533	48/1219	24/610	7.5/191
