Full service offer

It's a full service offer (machine + services + maintenance). You know your TCO (Total Cost of Ownership). Spreads the maintenance cost over the contract duration. Benefits from a well maintained machine, simplified administrative tasks and off-balance solution*.

01

Operating lease

You lease your machine for an agreed cost. Possibility to add maintenance services. No need to worry about resale of the equipment. Benefits from and off-balance solution*.

02

03

Financial lease

Rental solution with a purchase option. You can modulate your payment and choose your terms. Your rent is less expensive compared to a patrimonial approach. At the end of the contract, you can buy the machine at the determined residual value. Benefits from and off-balance solution*.

04

Loan

You have the property of the machine. You benefit from a seasonal financing plan. Simple financial offers (w/o VAT)*.
