

HITCH ADAPTER

EDGE® HITCH ADAPTER

The EDGE hitch adapter is a handy, economical attachment that every compact loader operator should have. Move implements, trailers, wagons, boat trailers or other types of equipment easily and efficiently with the EDGE hitch adapter. Reduce equipment damage by having full view of the equipment you are moving and you'll also be able to maximize storage space by precisely placing equipment.

OPERATIONAL BASICS

The EDGE hitch adapter features a durable, heavy steel construction frame and utilizes a Class 3 receiver (not included), and the universal mount means that it will fit virtually any compact loader.
